ASU Sonoran Winter Real Estate Conference

The W. P. Carey Center for Real Estate and Finance at Arizona State University is proud to host the inaugural ASU Sonoran Winter Real Estate Conference, a one-day meeting devoted to research in real estate, broadly defined.

The conference will take place on February 4 at the beautiful Andaz Scottsdale Resort. It builds on the sixteen-year tradition of the ASU Sonoran Winter Finance Conference, which will take place at the same venue on February 5-6, and attendees are welcome to participate in both conferences.

As both a financial and location asset, real estate research sits at the intersection of finance, economics, urban and environmental research, and public policy. Our aim is a single-track program that brings together perspectives on fundamental questions relating to credit and risk, affordability and access, and sustainability across both residential and commercial markets.

For detailed registration instructions, please email realestateconference@asu.edu.

Call for papers

The center invites submissions from scholars at all career stages. We welcome empirical, theoretical, and structural work from real estate, finance, economics, and adjacent fields.

Submissions must be original research that is unpublished and not forthcoming at the time of submission. Please submit a PDF of the full paper, with an abstract of no more than 250 words, to the online form by Tuesday, October 20, 2026. A \$95 submission fee is required.
