## CALL FOR PAPERS

2018 National Conference

May 31 – June 1, 2018

Park Hyatt Hotel, Washington, DC

The American Real Estate and Urban Economics Association invites paper submissions on all facets of real estate related research for our upcoming National Conference. The conference takes place in Washington DC May 31 and June 1. Informative sessions allow ample time for discussion among the presenters and session participants. Policy makers, academics, and real estate practitioners have all come to rely on the leading research and vigorous discussions that are a tradition of this conference. We encourage submissions that highlight pressing issues in real estate finance, urban economics, residential and commercial markets, policy and industry applications, and more.

While we accept abstracts, we have a strong preference for completed manuscripts.
