

The **Women in Real Estate Network**, a committee of the American Real Estate and Urban Economics Association, invites you and all AREUEA members to a networking breakfast on **January 7, 2011 at 7 am** at the **Denver Marriott City Center** (1701 California Street) in the **Gold Coin Room**. Come enjoy a delicious breakfast, catch up with old friends and meet new ones. Starting at 7:20 we will have a panel discussion on data resources that can help you in your work. We also invite you to share information about new and interesting data sources that you use.

Invited Panelists:

Kyle Lundstedt, LPS Applied Analytics – Mortgage Data

Ed Olsen, University of Virginia – Price Indices

Richard Green, University of Southern California – Commercial Real Estate Data

Amy Crews Cutts, Freddie Mac – TRF's Policy Map

Peter Zorn, Freddie Mac – National Mortgage Database

This breakfast is generously sponsored by LPS Applied Analytics

The Women in Real Estate Network ("WREN") is open to all members of AREUEA. The goal of WREN is to facilitate participation and encourage accessibility in AREUEA activities by all members, with a focus on Ph.D. students, junior scholars and members new to AREUEA, particularly women. The stated goals of WREN corroborates with the mission of AREUEA, which supports the continued success of AREUEA as the premier academic real estate association.
