

**46th AREUEA Annual Conference
Denver, Colorado
January 7-9, 2011**

AREUEA, RICHMOND, VA – The American Real Estate and Urban Economics Association (AREUEA) will host 23 academic sessions at the ASSA Conference being held in Denver Colorado, January 7-9, 2011.

The papers included in the sessions will be presented by some of the leading academic and institutional researchers from around the world resulting in an international and interdisciplinary conference.

Special Feature

At this year’s conference two panel discussions have been organized to address the most recent financial crisis and the associated policy implications. We recommend that you highlight your program schedule to ensure your participation in these engaging panel sessions.

Income Inequality and the Financial Crisis	Do Complex Economies Require Complex Financial Systems?

For more information or to register please visit www.areuea.org. Regular-rate conference registration is \$75.00 if received by December 1, 2010.

AREUEA was originated at the 1964 meeting of the Allied Social Science Association in Chicago. AREUEA grew from discussions of individuals that recognized a need for more information and analysis in the fields of real estate development, planning and economics. Over the past 45 years AREUEA has grown to be the leader in supporting and promoting real estate & urban economics research of the utmost quality.
