## Joint AsRES and AREUEA International Conference

### July 11-14, 2011 – Jeju, Korea

The joint Asian Real Estate Society (AsRES) and American Real Estate and Urban Economics Association (AREUEA) International Conference will take place July 11-14, 2011, at Jeju Island, Korea. The conference will provide a forum for academics, practitioners and policy makers to present research findings in the areas of urban economics, real estate markets, real estate finance, development and investment, and housing.

Jeju Island, south of the Korean peninsula, is a popular destination known for its mountainous scenery and beaches, including Mt. Hallasan National Park, containing famous lava tubes that underpin its status as a World Heritage Site. See <http://en.wikipedia.org/wiki/Jeju-do> and links therein. Jeju Island was also recently featured regarding its Global Education City initiative, see: <http://www.nytimes.com/2010/08/23/world/asia/23schools.html>.

The Shilla Jeju, a five star hotel, is the conference hotel. Airline connections are readily available through Seoul, Tokyo, Osaka, Beijing, Shanghai, and Taipei.
